<p>Please check if your notified authorities under the IUU Regulation (Articles 15.2, 17.8 and 21.3) correspond with the latest version of the Official Journal:</p> <p>https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX:52021XC0215(01)</p> <p>YES</p> <p>If not, please provide the updated notification to DG MARE through the Functional mailbox: MARE-NOTIFICATIONS-IUU-1005-2008@ec.europa.eu</p>

Please state your notified authorities under the IUU Regulation in accordance with Article 39.4 (nationals):

Department of Fisheries Management, Ministry of Agriculture

Section 1. Information on legal framework¹

Please transmit your national law and/or any administrative guides for the implementation of Council Regulation (EC) No 1005/2008 on illegal, unreported and unregulated fishing (IUU Regulation). If available, please provide the link to the official national database.

<https://net.jogtar.hu/jogszabaly?docid=a1600383.kor>

Section 2. Information on administrative organisation²

2.1. Please provide information on your administrative organisation for the implementation of Council Regulation (EC) No 1005/2008 on illegal, unreported and unregulated fishing (IUU Regulation), in particular as regards:

- port inspections (Chapter II);
- catch certification scheme (Chapter III).

If different authorities/services are involved in the implementation of the IUU Regulation, please distinguish between:

- *the control of direct landings of third country fishing vessels;*
- *validation of catch certificates upon exports;*
- *checks and verifications of catch certificates for imports under direct landing;*
- *checks and verifications of catch certificates for imports arriving by other means than fishing vessels (e.g. by containers, trucks);*
- *validation and verifications of re-exports.*

In addition (if different authorities/services are involved), please explain and describe:

- a) *vertical co-operation (between local/regional authorities and head-quarter);*
- b) *co-operation between different authorities and allocation of tasks for various authorities in the implementation of the IUU Regulation (Fisheries, Health, Customs, Coast Guard, Navy, etc.).*

The responsible authority for the implementation of the IUU regulation (in particular, the checks and verifications of catch certificates) as well as fisheries control within the country is the National Food Chain Safety Office (NÉBIH). As Hungary is a landlocked country without commercial fisheries, fishing fleet, and ports, most other provisions of the IUU Regulation (such as control of direct landings) are not relevant for the country.

The customs authorities cooperate with NÉBIH in the implementation of the IUU regulation in that it releases the imported fish to the market only following the verification of the catch certificates by NÉBIH.

The Department of Fisheries Management of the Ministry of Agriculture is responsible for professional control over NÉBIH in fisheries-related issues, including IUU fisheries, as well as reporting to and cooperating with the Commission, EFCA etc.

IUU fishing carried out by nationals abroad entails criminal liability in line with Articles 3 and 246 of the Criminal Code. Perpetrators or coactors of a crime are investigated and prosecuted by the police, the public prosecutor and criminal courts in accordance with Act XC of 2017 on Criminal Proceedings. However, there is no specific department of the police dedicated to IUU fishing.

2.2. How many officials are involved in the implementation of the catch certification scheme?

¹ This section 1 is to be filled-in by all Member States i.e. coastal and landlocked Member State.

² This section 2 is to be filled-in by all Member States i.e. coastal and landlocked Member State.

Please specify the number of officials expressed in Full Time Equivalent (FTE):

- for checks and verifications in accordance with Articles 16 and 17;
- for validation of catch certificates and re-export certificates in accordance with Articles 15.2 and 21.3.
